

Chief Operating Officer

We are looking for a remarkable **Chief Operating Officer to help us with your expertise and knowledge to achieve our [VISION 2050](#)**.

In the next 2 years we aim to create the premises of an accelerated growth to **over 2 million Eur revenue by reaching all people in Europe**, that are open now and have an entrepreneurial eye and drive, and offer them **our unique business model**, at its start up, in a completely new and open market.

We wish to serve over **2 billion households** worldwide, as at least one time customers, and open **new business lines** where we can apply our business model.

But our biggest wish, our **50 years vision** is, to help over **3 million people worldwide**, to gain control of their life, by becoming Independent Designers affiliated with us, and own a business, and thus transform their life conditions into an unique work of art, the same way, an artist transforms a blank canvas, into marterpiece using the colors he has got and then signs it.

We pride ourselves being an **unique and inovative concept**, were we disrupt the classical distribution model in the interior design industry, helping the art lover to buy his or hers pieces of art from their own online gallery, benefiting from the collective buying power of art.

We pride ourselves not following old trends, and we created something new from scratch, because we we not satisfied with what we found in the market.

We managed to create an **original compensation plan**, built on the payment of **actual sales**, and not on signed up persons. We offer every ambitious person the possibility to earn as much as they desire and are willing to work for, from leverage the collective buying power of art lovers worldwide. **Over 80% of the money spent in the network return to the customers as purchasing discounts and even cash.**

On the **Chief Operating Officer** role you will have **3 main responsibilities**:

1. **Identify suppliers**, sign and manage contracts and place orders whenever needed.
2. **Offering support** to Customers and Independent Designers on operating issues in order to maintain healthy long term relations.
3. **Coordinate** the administrative activities demanded by Public Administrations, Company Departments and other Stakeholders.

Ongoing your 90days growth goals you will also be responsible for a set of actions as it follows:

1. **Participate in the regular evaluation meeting** every 90 Days together with the management team.
2. **Recruit and train the needed team members**, creating induction programs, trail periods and bi montly evaluation meetings.
3. Identify and propose profit raising actions.

If you Like this article but are not the right candidate, or whatever reason, you can **win 1000 euro as prize**, if you recommend us the right. All you have to do is send this article to the people you think about as having potential, and if they pass the interviews and trail period, and are ofere a job, then you will get your 1000eur in your bank account.

And, if on the other hand, you consider you are a Match for us, and are ready to help us, reach our business goal by 2025, you like our vision and values, then we are looking forward to working with you.

Just complete the short fillin form below . You will hear from us in maximum 48 ours and we will follow up with you in a short 10minute online call. If all is fine at this point, we will meet face to face and see if we are really good working together, if we can match you desired income, then we will move forward.
